ANNOUNCEMENT

Last year we made an announcement on the face of our seed cards offering you a new plan of seed merchandising in the way of quoting you delivered prices on our seed card. The immediate popularity of this plan was demonstrated by the number of our customers who took advantage of it. We are continuing the plan on our this year's card and we trust that you will find it valuable. In the lower left hand corner of your address you will find your zone number. The price delivered your zone is printed opposite the commodity on our card. Delivery will be made the day after orders are received, weather conditions permitting. Should you send your own truck, the goods will be invoiced at our warehouse price, which is also listed.
